

DOGS BARKING

A Story for Understanding

Dogs bark because that's their way of talking.

Sometimes dogs bark when people or other dogs walk past their home.

Sometimes dogs bark because they are excited or happy.

When dogs bark it can be loud and give people a fright.

When dogs bark people sometimes feels worried, sad and frustrated.

It is O.K to feel worried, sad or frustrated when dogs bark.

When I hear dogs barking I can put my fingers in my ears or wear my headphones.
