

# NATHAN WORKING AT THE LIBRARY WHEN IT IS OPEN TO THE PUBLIC

## A Story for Understanding

Nathan works at the Darfield library when it is open to the public which means other people might come into the library to look at books and do other things.

Sometimes a member of the public may need to ask a staff member a question??

Nathan is a staff member when he is helping at the library so a member of the public might ask him a question??

Nathan can listen to the person and if he is confused or doesn't know the answer he can find a staff member.

Nathan can say

" COME WITH ME AND I WILL GET HELP"

Nathan remember to LISTEN CAREFULLY because a member of the public may say hello or make a comment ( " I like your hat Nathan")

Nathan does a great Job at the library and is good at saying hello to members of the public when they come into the library to look at books and do other things.
