

Today we are going to have a fire drill.
We will practice together what we need to do if the fire alarm sounds.

We practice our fire drill so we all know what to do if the fire alarm sounds. It is important to keep everyone safe

When the alarm sounds it might surprise us and be quite loud.
It is ok to cover our ears if that helps.

We need to listen to staff and stay with the class.
We will line up outside the classroom together

We need to listen to staff, and walk quietly to the netball court.

When we get to the courts we will sit in our line and our teacher will call the roll. We need to listen for our name.

It will be safe at the court. The alarm will stop ringing.
When the teacher has checked we are all together by calling the roll.

We will walk back to class together.
